**AUSTRALIA'S LARGEST OFFERING OF BREEDPLAN RECORDED,
PROVEN BLOODLINES, QUALITY GREY BRAHMAN FEMALES !**

WELCOME

The recent sale of Elrose Station has necessitated our Major Reduction Sale of the females which are the backbone of our large scale Grey Brahman Stud breeding enterprise in the paddocks of that property for decades. We're pleased to present and offer them to you, as described on the following pages, at "Inverrio", Duaringa on Thursday 15th, Friday 16th and Saturday 17th July.

Firstly, Elrose Stud is continuing! For Lorena and I, our love and admiration of Brahman cattle is everlasting. They have provided lots of golden moments for our family – always intriguing, sometimes challenging but dependably rewarding. When provided with the opportunity, there's no doubt they will exceed expectations! So, respecting medical and health advice, "Brigalow", Moura is the new home base for the Elrose Brahman Stud from where we will continue to service our two annual auction events; the Lancefield Brahmans Invitation Sale and the Big Country Brahman Sale, as well as supply our paddock sale clients.

Having lived and worked with these cattle for so long at Elrose and seeing the cows come in every year with their brand new babies, it will be a somewhat uncomfortable feeling for us to say goodbye to these paddocks of cows that are almost like a part of the family. We can say with pride, collectively they have done nothing but the best for us across years of droughts, flooding rains and some good times. That's why we're confident they will perform at the same high level in the paddocks of those whom they are 're-homed' to after mid-July.

Having been subject to the wide variation of elements at Elrose, they may not look as pretty as some of the 'softer country' herds of the South and Central areas, but we know they're pretty good!

We'd like to sincerely thank Brett, Allen and Carolynne Nobbs of Inverrio for their wonderful gesture in offering the glorious NCC Selling Complex as the venue for this Sale. We have a few things on our plate at the moment so we are extremely grateful for the way Brett came forward to ensure the Sale process and venue is comfortable for our cows, and professional and thorough for you as prospective purchasers.

This is the largest auction Sale offering of Group Breedplan Recorded Stud females ever in the Brahman breed! We commenced Breedplan Performance recording in 1995 and Elrose has been at the forefront of analysis for genetic improvement since that time. 'Broad and balanced' has always been our pursuit when applying genetic values for improvement. No single trait selection for us. The sheer size and scale across the Elrose Stud herd, for the collection of a diverse and relevant range of data, has ensured a concentration of a combination of traits essential for increasing herd performance and importantly, returns to the beef cattle producer. The great majority of our paddock buyers, accounting for many hundreds of bulls annually, highly value the Group Breedplan EBV's and indices backing Elrose Brahmans.

The size of this Sale selection guarantees suitability throughout for every buyer – Studmaster, quality commercial cattle producers, restockers, large scale bull breeders, newer breed enthusiasts and Bull Buyers, who should look at the number of big, quality bull calves in this offering, and their pregnant mothers, as a real opportunity to invest, at excellent value, towards their own herd's forthcoming bull requirements.

Volume buyers are also catered for with some multiple pen lots and three full selling days to put attractive lines together.

Lorena and I commend the females in this Sale to you. They are the genuine, Grey Brahman, high production, breeding article, and at this time, as we shortly approach Spring, it is the ideal circumstance for you to enjoy and be rewarded by their future breeding production.

Our Sale Agents, Queensland Rural and McCaffrey's Australian Livestock Marketing are available anytime to handle your pre-Sale enquiry, inspection arrangements, accommodation bookings, etc. It will be a 'full-on' three days and we look forward to seeing our cows going to good homes and to breeders who will appreciate them as much as we have.

Inspections

All Sale lots will be Lot number ear tagged and available for inspection at 'Inverrio', Duaringa at any time prior to the Sale days.

IMPORTANT – Please contact the Selling Agents or Brett Nobbs 0427-713471 to register your interest to inspect, prior to attendance at Inverrio, as at various times in the Sale lead-up, the Sale lots will be being moved, yarded and handled by staff for Sale day preparation (i.e. lot number paint branding, etc.)

It is a requirement that prospective purchasers do not enter any yard or pen of the Sale lots without first registering your attendance at Inverrio and/or with a representative of Elrose, Nobbs Cattle Company, or the Selling Agents accompanying you.

Allow Time for a Thorough Inspection

Rarely does an offering of quality Stud females of this size, from one longstanding breed leading enterprise come to public auction.

We strongly recommend you allow ample time to fully inspect and assess the Lots you may be interested in. The huge Cow & Calf section, many whopping big bull and heifer calves and mostly PTIC again, will really take time to evaluate. All calves will be clearly lot number ear tagged, corresponding with their mothers, for easy identification.

Sale day auctioning is an early start, therefore pre-Sale day inspections of Lots is essential and highly recommended.

On Sale mornings, each day's offering will be penned in Lot order, for inspection from 6am.

Multi-Sire Joining

The Cows and Calves and PTIC Cows in this Sale are all run and joined on a Multi-Sire basis. Calves are identified for ABBA pedigree registration through DNA verification. The individual Sires of calves at foot on the Cows & Calves in this Sale HAVE BEEN DNA VERIFIED by Elrose Stud prior to the Sale, and are recorded in this catalogue or on the supplementary sheet.

Each Elrose paddock of Cows & Calves is identified through the catalogue. Joining Sire details for each of these paddocks, for the pregnancies these cows now carry, are listed on Pages 8 to 11.

Additionally, each cow offered in the Sale in the PTIC Cow sections, is identified with her joining paddock of origin; i.e. 'x Round', 'x Fibreglass', etc.

For ABBA registration purposes, purchasers will have to establish, through DNA Verification matching, the individual Sire of calves born which are the result of the current pregnancies recorded for females at the time of this Sale.

Appropriate and relevant DNA reference of all Elrose joining sires is held with an ABBA authorised laboratory.

SALE INFORMATION

ABBA Registration

All of the Lots are registered with the Australian Brahman Breeders' Association, are recorded with Brahman Group Breedplan and are from the Elrose Stud breeding programme. You will note throughout the catalogue that some Lots carry Appendix or Commercial registration. As we have been breeding with Registered Purebred Brahman bloodlines since the inception of our Stud, the reasoning for the majority of these Appendix or Commercial registrations generally is an inability for DNA parentage verification through death of an ancestor/s prior to DNA sampling, etc.

Pregnancy Testing

Cows PTIC were pregnancy tested by Neil Farmer BVSc. at Inverrio prior to cataloguing;

Cows with calves at foot were pregnancy tested by Neil Farmer BVSc. at Inverrio 16-25th June.

The Veterinarian's recording of approx. age of foetus has been adjusted forwarded in the Sale catalogue and supplementary sheet to the dates of the Sale, to assist prospective purchasers.

Proven Sires Semen & Morphology

All Proven Sires on offer on Day 3 of the Sale have passed a veterinarian semen and morphology test.

STUD STOCK — AUCTION TERMS AND CONDITIONS OF SALE

IMPORTANT NOTICE: All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the Purchaser provided that the Vendor reserves the right to bid either by himself or through his Agent or Auctioneer and should any dispute arise among the bidders for any lot, during or immediately after the sale of the lot, it shall be settled at the Auctioneer's absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the Auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bid by the Vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the Vendor reject the bid of the highest bidder such bidder will have the right of first refusal of the lot at the Vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the Purchaser, the purchase price and the lot sold as recorded by the sale clerk for and on behalf of the Auctioneer shall be equally binding on both Purchaser and Vendor.
4. The Auctioneer expressly reserves the right, without giving any reasons therefore, to:
 - (a) Refuse to acknowledge any bid;
 - (b) Withdraw any lot or lots before or during the sale;
 - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the Purchaser upon acceptance of his bid by the Vendor or upon acceptance of the highest bidder's offer by the Vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the Vendor or by the Auctioneer acting as agent for the Vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:
 - (i) The Purchaser shall nevertheless be obliged to pay to the Auctioneer the full purchase price and any other monies or interest payable by the Purchaser in accordance with these terms and conditions;
 - (ii) The Vendor and the Purchaser shall resolve the dispute between themselves;
 - (iii) The Auctioneer shall have no liability or responsibility in regard to the dispute; and
 - (iv) No lot shall be returned to the Auctioneer and the Purchaser shall indemnify the Auctioneer for all costs, expenses and damages which the Auctioneer is put to or incurs by reason of the Purchaser so doing.
8. The name of the Vendor for whom the Auctioneer acts is acknowledged to have been furnished to Purchasers prior to the sale and further particulars will in all cases be furnished to a Purchaser if required. In the case of any disputes the remedy of the Purchaser shall be against the Vendor only and in no case or under any circumstances against the Auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9.
 - (a) **PAYMENT** — Unless prior credit arrangements have been made in writing with the Auctioneer the full purchase price for each lot shall be due and payable to the Auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the Vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the Purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the Purchaser shall hold such lot as bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the Auctioneer reserves the right to:—
 - (i) Rescind the contract on behalf of the Vendor and repossess and resell any lot;
 - (ii) Recover from the Purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate plus two percentum. For the purposes of this condition, the expression "the AMBA Bill Rate" is the rate published by the Australian Merchant Bankers Association in good faith as at the date of the sale as its bill rate for 180 day bills of exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the Auctioneer shall determine and advise the Purchaser of the interest rate to apply for the purposes of this condition.
 - (b) The Auctioneer is selling as the del credere agent of the Vendor and the full purchase price of any lot sold shall be payable by the Purchaser to the Auctioneer and be fully recoverable by the Auctioneer in its own name.
10. If the Purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former Purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
11. Any Vendor or Purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.
12. The Purchasers, if any more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the Vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the Vendor or Auctioneer, provided however, that this Condition shall not in any way negate the Vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The Auctioneer may, should it think fit, make arrangements on a Purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the Auctioneer and all such service will be at the Purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the Purchaser or his duly authorised representative.
16.
 - (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, any express or implied condition, statement of warranty, statutory or otherwise, is hereby excluded. The Auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the description of pedigrees of any lot offered for sale and no such error, misdescription or omission shall entitle the Purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
 - (b) Each lot will be sold subject to passing all veterinary tests required by the law of the state or country to which the Purchaser intends to transport that particular lot, such tests to be undertaken at the Purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the Purchaser shall be refunded and property in the lot shall revert to or remain with the Vendor.

17. Guarantees of Fertility:—
- (1) BULLS - Save and except for calves at foot, all bulls are guaranteed breeders and to so prove by the later of:
 - (a) six months after the date of sale or
 - (b) the animal reaching the age of 24 months
 - (2) FEMALES - Save and except for female calves at foot, all females are guaranteed to be in calf or go into calf by the later of:
 - (a) 6 months of the date of sale
 - (b) the animal reaching the age of 30 months

A positive pregnancy test certified by a qualified veterinary surgeon shall be sufficient evidence that the animal is in calf.
 - (3) Claims under Clauses 17(1) and 17(2). A claim that an animal has failed to satisfy a guarantee of fertility under Clause 17(1) or 17(2) must be made to the Vendor within the relevant guarantee period but prior to the animal entering a quarantine area other than on the Vendor's property.
 - (a) All claims must be accompanied by a certificate from a registered veterinarian surgeon in accordance with the guidelines established by the Australian Association of Cattle Veterinarians which must clearly identify the basis of the claim.
 - (b) Subject to Clause 17(9), infertility resulting from injury or disease occurring after the sale of the animal is not covered by this guarantee.
 - (c) The Vendor retains the right to have the animal placed on a property nominated by him or returned to his own property for further assessment of fertility for a period not exceeding six months. If the animal proves fertile within the period such status must be confirmed by a certificate issued by a registered veterinary surgeon in accordance with the guideline established by the Australian Association of Cattle Veterinarians and costs incurred must be borne by the Purchaser. If the animal is not proven fertile within the period, the costs incurred must be borne by the Vendor.
 - (4) LIABILITY OF A VENDOR - Except for costs defined elsewhere in the conditions of sale, the liability of a Vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or provide mutually agreed upon replacement animal(s).
 - (5) In the event of a claim being substantiated:
 - (a) The purchase price shall be refunded within 14 days unless a mutually agreed upon replacement animal has been provided.
 - (b) The animal/s which are the subject of the claim and any stocks of stored semen shall automatically become the property of the Vendor and be returned to him or disposed of according to his instruction at his expense.
 - (6) Subject to Clause 17(9), this guarantee is of no effect if:
 - (a) The animal is returned to the Vendor.
 - (i) In poor physical condition or with any injury;
 - (ii) Tests carried out on behalf of the Vendor within fourteen days of such return proved positive to any diseases which may affect the animal's fertility or ability to breed naturally; or
 - (b) The Purchaser has collected and stored embryos from a female.
 - (7) In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the Vendor and the Purchaser. The Auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. If an animal is alleged or proved not to be a breeder, the Purchaser must nevertheless pay the Auctioneer the full purchase price and any other monies or interest payable by the Purchaser in accordance with these Terms and Conditions.
 - (8) EVIDENCE OF FERTILITY — A Certificate issued by a registered veterinary surgeon at or before the time of sale than an animal is fertile (unless it is a certificate stating in respect of a female that she is in calf at the time of sale) does not, of itself, satisfy or discharge the Vendor's obligations under the guarantee of fertility given under this Clause 17. All animals, except calves at foot, must prove their fertility within the relevant guarantee period.
 - (9) RELIEF FROM GUARANTEE — If the Vendor seeks to be relieved from the obligations which would otherwise be imposed upon him by this clause by virtue of Clauses 17(3)(b) or 17(6)(a), the onus of proof is upon the Vendor to establish that:
 - (a) The animal suffered the injury or disease or is in poor physical condition due to circumstances and events occurring after the sale, and
 - (b) The injury, disease or physical condition is the sole cause of the animal's infertility or failure to prove fertility within the guarantee period.
 - (10) DEFINITION — For the purpose of this Clause 17, the expression "guarantee period" means:
 - (a) in relation to bulls — the period specified in Clause 17(1) as being the period in which the bull must prove his fertility; and
 - (b) in relation to females — the period specified in Clause 17(2) as being the period in which the female must go into calf.
18. (a) Each lot shall be at the risk of the Vendor in respect of any damage or injury, whether by disease, accident or otherwise, or whether caused by the negligence of the Auctioneer for the period that the lot be in the custody of the Auctioneer, unless such lots shall have been sold in which latter case such lot shall be at the risk of the Purchaser in all such respects.
- (b) If any Vendor brings to the sale premises any lot which is dangerous, or infected with any disease, that Vendor shall be liable for all injury, damages, costs, losses or expenses which the Auctioneer may sustain, incur or be put to either directly or indirectly as a result of the Vendor so doing. The Auctioneer reserves the right, at its absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.
19. DELIVERY — Except at the discretion of the Auctioneer no lot shall be delivered to the Purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the Auctioneer pursuant to Condition 14 hereof, is first made by the Purchaser to the Auctioneer. Release of lots may be withheld by the Auctioneer until personal cheques are cleared.
20. In these Conditions:—
- (a) References to "Auctioneer" shall be taken to mean as the context so admits, the Selling Agent or any member, subsidiary or related corporation or body, officer, agent or employee thereof, authorised by the Vendor to conduct the sale of the lot;
 - (b) "Purchaser" shall have the meaning ascribed to it in Condition 1;
 - (c) "Vendor" shall mean the person or corporation upon whose account lots are offered for sale and where a stud or farm is named shall mean the proprietor of that stud or farm;
 - (d) "Lot" shall be taken to mean the animal offered for sale and/or sold by the Auctioneer on behalf of a Vendor.
