Welcome

Welcome.....

to our 3rd off-property, under the hammer, bull sale at the Eidsvold Selling Complex.

We're proud to present our 2021 selection of Charbray, Charolais and both Red and Grey Brahman bulls.

Our 2021 sale team includes Charbray bulls of horned and polled phenotype, including our signature $\frac{3}{4}$ Charbray type for those looking for a Charolais type with the hardiness of Grey Brahman.

There are two Charolais bulls, and this year we're offering both Red and Grey Brahman bulls as well.

Again, we're going the extra mile, providing as many scans and measurements as possible (including semen morphology) so you have all the information required to assist in selecting the bull most suited to your operation.

Whilst we enjoy presenting these bulls fully at sale, it should be noted they have not been pampered their entire life. They are raised in forest paddock conditions and following weaning fend for themselves on river country until their sale preparation begins. Their prep is with a high roughage total mixed ration including a silage base. They are most certainly not green crop fed at any point in their lives. This style of preparation has helped us receive feedback stating our bulls had "held up" under trying seasonal conditions.

By placing the sale local to our client base we endeavour to allow our clients to access quality bulls at affordable prices and without the associated costs of major travel and accommodation to attend other sales. Also, the bulls will be presented tick free and we'll be assisting successful buyers to get their new bulls home.

Those who purchase on the day will have an added bonus to gain entry in the draw for a bottle of our very own signature premium blended "Burnett Park" Bundaberg rum. Every lot sold will gain a rum entry, so multiple bull buyers will have multiple chances to win.

Of course we're again providing complimentary smoko and lunch for our supporting clientele in a warm and friendly "sale day out" atmosphere.

We appreciate your support and wish you well with your purchases.

Thank You from

Clint & Robyn

Sale Information

Whitaker Brahman Charbray Charolais

Whitaker Brahmans, Charbray and Charolais is conducted by principals Clint and Robyn Whitaker.

With the home base located at “Burnett Park” on the magnificent Burnett River, on the outskirts of Mundubbera, the family also runs other holdings located in the beautiful Hollywell district at Eidsvold and its main breeding enterprise at “Cosland” in the historic Abercorn district.

The Brahman breed underpins the entire operation and stems from Clint’s first introduction to the breed many years ago whilst holidaying as a teenager at a prominent Burnett Region stud. On the other hand, Robyn had a history of stud show animals and her grandfather had shown at the Ekka for 49 years straight.

In short Clint and Robyn were fortunate to access Grey Brahman genetics from a foundation stud dispersal and later to secure Red Brahman genetics that included the birth of “Whitaker Maggie” on the day of delivery. “Maggie” became the matriarch of the Whitaker Red Brahman herd winning the Australian Brahman Breeders Association Cow of the Year on three consecutive occasions and was inducted into the Brahman Breed’s Register of Renown.

Owning this highly fertile super Brahman cow has introduced the Whitaker’s into the world of advanced genetical gain with their preferred medium of In-Vitro Fertilisation (IVF) having been extensively used throughout their Red and Grey Brahman herds.

From there it was expanded into their Charolais genetics as the Whitaker’s looked to advance their Charolais herd. Whitaker Charolais secured the Australian semen rights to the highly acclaimed Canadian Charolais super bull “CML Encore 4Y” and has used this polled bull along with others to develop their Charolais herd.

Whilst demand for polled cattle is rapidly growing, and the Whitaker’s see the benefits of such and provide to meet market demands, they also are very aware growth and carcass weight is heavily associated to horned genetics. So they try to keep a balanced approach to the polled equation and produce for all market requirements.

The Whitaker’s breed cattle with high natural resistance to buffalo fly and stud cow groups are kept separate for straight breeding purposes. The Charbrays are made up of the traditional Classic Charbray content cattle of 50% Charolais, 50% Grey Brahman. Further to this the Whitaker’s concentrate on breeding their highly successful $\frac{3}{4}$ Charolais $\frac{1}{4}$ Grey Brahman progeny of which there are 5 bulls represented in this year’s sale starting at Lot 14 and ending at Lot 18. These bulls have been readily accepted as bulls that look Charolais but have the hardiness and added fat coverage from the Grey Brahman.

To the future the Whitaker’s aim to continue to produce commercially orientated cattle, able to adapt to any environment including country type and seasonal variances. They also plan to continue this Eidsvold sale as an annual event and welcome feedback on how they can ensure customer expectations are met.

Lucky Bull Draw

Successful purchasers of any bulls in this year's sale will go in the draw to win a bottle of our specialty "Burnett Park Premium Bundaberg Rum" valued at \$125.

Lot 1

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 880

D.O.B: August 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

First up in our sale and damn close to being first overall in every aspect of comparative scanning and reproductive analysis. A slight grey pigment in this classic 50/50 content Charbray. A quality well-muscled “do a good job everyday” type Charbray bull.

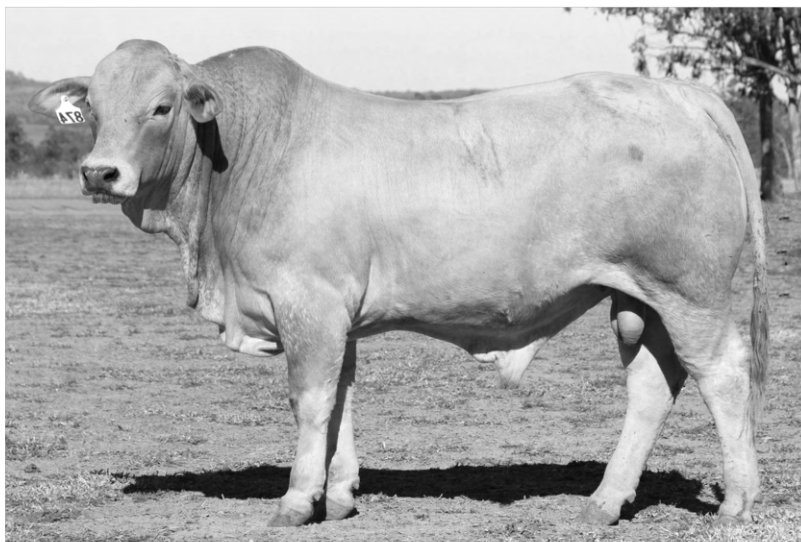

Purchaser: _____ \$ _____

Lot 2

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 874

D.O.B: October 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

A good all round 50/50 grey pigment Charbray bull on offer. Not overdone these bulls and remember these scans were taken nearly one month ago and this bull is matching it with the best of them, including a commendable 90% in semen morphology and 5.2 in Intramuscular Fat (IMF).

Purchaser: _____ \$ _____

Lot 3

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 883

D.O.B: September 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

The good bulls just keep coming and this bull again displays fantastic results both in potential reproductive indications and fat and muscle scanning indicators. Again a 50/50 content Charolais/Grey Brahman. A thick and solid classic cream Charbray bull. Extremely tidy in the working department and surely the type of bull you'd be proud to have in the cow herd.

Purchaser: _____ \$ _____

Lot 4

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 871

D.O.B: October 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

One of our strongest classic 50/50 Charbray bulls offered in our sale this year. In reality this bull needs very little comment as his style and presence will sell the bull, that we're certain. He's a powerful bull displaying every attribute a Charbray sire requires. View him, appreciate him and let him complement your cow herd.

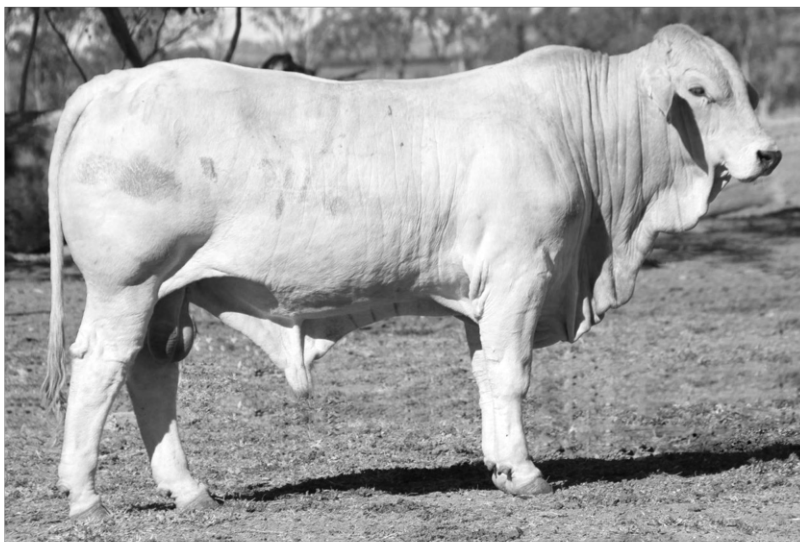

Purchaser: _____ \$ _____

Lot 5

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 875

D.O.B: October 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

If your criteria is scrotal circumference then this bull tops the entire sale at 42cm and he is equal top in semen morphology at 91%. And just quietly the rest of his scans stack up pretty good as well. So if it's figures you're after he's got it. Now let's view the bull and likewise you'll see this bull is solid, strong and long. This is most definitely one of our lead 50/50 content Charbrays offered.

Purchaser: _____ \$ _____

Lot 6

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 877

D.O.B: October 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

Plenty of strong growth attributes in this bull. A big upstanding 50/50 cream Charbray bull. And this bull has just gone from strength to strength during his sale preparation period. A bull who will become a stand out sire in the cow herd.

Purchaser: _____ \$ _____

Lot 7

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 876

D.O.B: October 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

If figures are your thing then this bull all but tops the lot. One of our Classic 50/50 content Charbray bulls with classic red pigment, good muscle definition and strong bone. This bull is basically the top-ranking scanning animal in the sale and is arguably the top Charbray offered today.

Purchaser: _____ \$ _____

Lot 8

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 878

D.O.B: October 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

Another quality 50/50 content Charbray bull we're happy to offer. A young bull displaying thick and solid attributes we expect of our Charbray stock. He's a bull we're confident to say will go out and do a fantastic job over commercial cow herds resulting in saleable progeny at any age.

Purchaser: _____ \$ _____

Lot 9

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 969 Poll

D.O.B: November 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

This bull ticks a lot of boxes. 81% in semen morphology, 39cm scrotal, 80% motile semen with fats, EMA and IMF scans in the lead of the sale. Topped with this is he's a polley with bone, length and a fantastic frame. This is a great young bull from any angle.

Purchaser: _____ \$ _____

Lot 10

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 829 Poll

D.O.B: September 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

Perhaps the perfect clean-polled bull on offer in our sale draft this year. A classic cream 50/50 content sire displaying a pink nose for those looking for this in their bull breeding requirements. Appreciate this bull is both long and deep and it's these attributes that put weight on the scales in his progeny.

Purchaser: _____ \$ _____

Lot 11

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 881 Poll

D.O.B: August 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

NOTES:

Where do you get a polled bull with growth and scale like this bull. Polled cattle can sometimes lack the frame however if you want to keep size in the progeny and replacement breeder her then this bull is for you. And likewise admire he carries strong bone structure to complement all of his other attributes.

Purchaser: _____ \$ _____

Lot 12

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 841 Scur

D.O.B: September 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Grey Brahman Cow

WHITAKER MR 884

D.O.B: July 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Charbray Cow

NOTES:

Presented here is a fantastic three-quarter Charolais upstanding correct bull. He is most definitely a stand-out in our sale draft. This bull is not only a stand-out to look at but he comes up pretty neat in all of his scans. He's perhaps our ultimate $\frac{3}{4}$ offered proving the strength of Charolais with our signature $\frac{1}{4}$ Grey Brahman offering hardiness along with fat cover.

Purchaser: _____ \$ _____

Lot 16

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 882

D.O.B: July 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Charbray Cow

NOTES:

This is a neat bull. Check out how solid and square he is. He's just a classic example of our $\frac{3}{4}$ Charolais bulls which have been so eagerly sought after from the coastal districts to central and far western Queensland. Again, punching out great scans results all round. Certainly, a bull you could buy with confidence.

Purchaser: _____ \$ _____

Lot 17

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 926

D.O.B: December 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Charbray Cow

NOTES:

Only a youngster in the sale however appreciate what this bull will grow to be in maturity. For a scurs-removed bull remember we expect him to produce a strong percentage of polled offspring. And for an animal with polled genetics view the strong bone structure he displays. A fine young bull worthy of our sale team and comes with the pink nose as well.

Purchaser: _____ \$ _____

Lot 18

Charbray

A/C - WHITAKER CHARBRAYS

WHITAKER MR 887

D.O.B: August 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Charbray Cow

NOTES:

Look at this bull for a $\frac{3}{4}$ Charolais. Ticks lots of boxes all round. He's thick and square and we're certain he's going to be a great bull. A bull with the $\frac{1}{4}$ Grey Brahman to give hardiness whilst in all honesty you'd be forgiven for thinking he's pure Charolais.

Purchaser: _____ \$ _____

Lot 19

Charolais

A/C - WHITAKER CHAROLAIS

WHITAKER MR 894

D.O.B: August 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Charolais Cow

NOTES:

A stand-out Charolais bull on offer this year. We believe this bull is correct all round and will produce solid progeny from high content Brahman or Charolais herds. In a nutshell, the only comment we'd make is ... do not miss him.

Purchaser: _____ \$ _____

Lot 20

Charolais

A/C - WHITAKER CHAROLAIS

WHITAKER MR 892

D.O.B: July 2019

I.D. Herd Bull

SIRE: Purebred Charolais Bull

DAM: Purebred Charolais Cow

NOTES:

The second of our two Charolais offered in the sale. 25months old but certainly hasn't been pampered his whole life. These Charolais bulls haven't been brought up on soft crop so we believe they will handle the tough seasons and let's face it we'll all unfortunately experience these again, just hopefully not to the extent of 2019 when these calves were born. Get behind this bull to appreciate how thick and square he is.

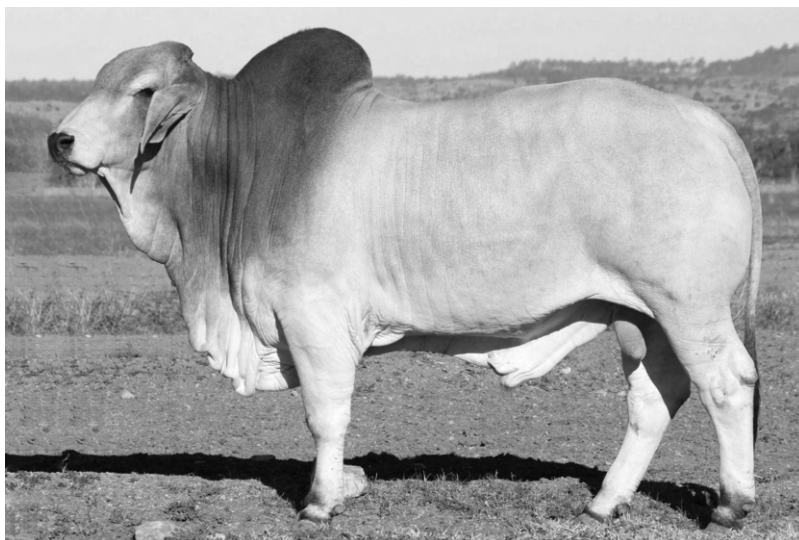

Purchaser: _____ \$ _____

Lot 21

Brahman (Grey)

A/C - WHITAKER BRAHMANS

WHITAKER MR 804

D.O.B: May 2019

I.D. Herd Bull

SIRE: Purebred Grey Brahman Bull

DAM: Purebred Grey Brahman Cow

NOTES:

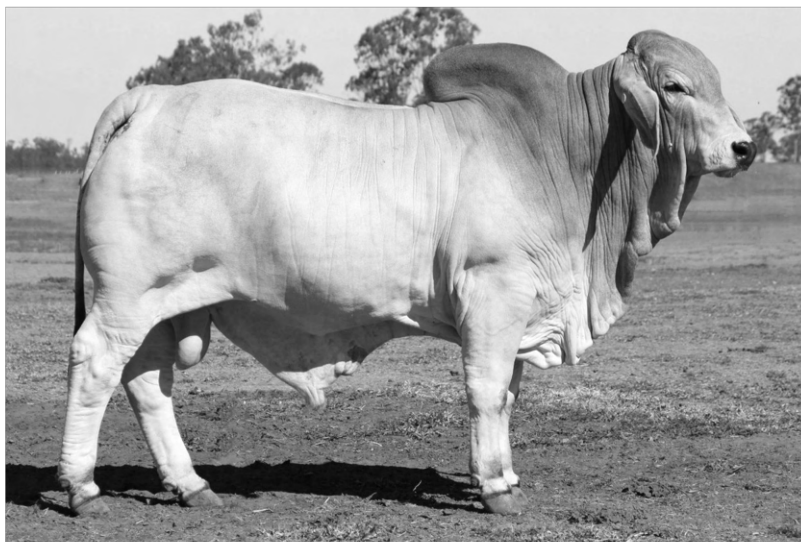

Lovely pigment in this Grey Brahman bull. Solid and deep in his muscle definition which has surely got to be passed on to his progeny. For a Grey Brahman his IMF of 5.0 is strong and his other scans acceptable, however with 80% semen and 87% morphology he's most worthy of consideration.

Purchaser: _____ \$ _____

Lot 22 Brahman (Grey)

A/C - WHITAKER BRAHMAN

WHITAKER MR 897

D.O.B: August 2019

I.D. Herd Bull

SIRE: Purebred Grey Brahman Bull

DAM: Purebred Grey Brahman Cow

NOTES:

As the second Grey Brahman offered we're again extremely happy to offer this bull. He has the thickness of a promising sire. A bull who'll grow to a strong sire with in your cow herd. A bull with pure grey breeding for uniformity of progeny. He displays a nice strong head and we're certain he'll be a worthy asset to your herd.

Purchaser: _____ \$ _____

Lot 23

Brahman (Grey)

A/C - WHITAKER BRAHMANS

WHITAKER MR 803

D.O.B: May 2019

I.D. Herd Bull

SIRE: Purebred Grey Brahman Bull

DAM: Purebred Grey Brahman Cow

NOTES:

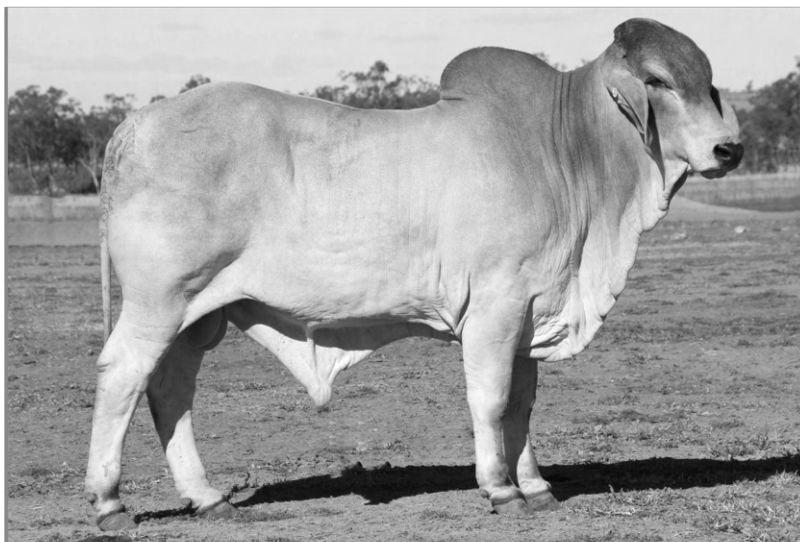

A solid grey Brahman offered here with a tremendous top-line, broad head and clean sheath. His scans are more than acceptable and we're confident he's good for the job he's required to do.

Purchaser: _____ \$ _____

Lot 24 Brahman (Grey)

A/C - WHITAKER BRAHMANS

WHITAKER MR 872

D.O.B: September 2019

I.D. Herd Bull

SIRE: Purebred Grey Brahman Bull

DAM: Purebred Grey Brahman Cow

NOTES:

If you're looking for a quiet, everyday Grey Brahman bull then this is him. We'll admit, initially not the first of the Grey Brahman you may pick however this bull comes with the top motile semen test of 85% (no other bull tested in this sale is above 85%). In addition to this he has tested a huge 89% in semen morphology and his fats and other scans are even and acceptable. This is a figures bull.

Purchaser: _____ \$ _____

Lot 25

Brahman (Red)

A/C - WHITAKER BRAHMANS

WHITAKER MR 670

D.O.B: December 2018

I.D. Herd Bull

SIRE: Purebred Red Brahman Bull

DAM: Purebred Grey Brahman Cow

NOTES:

This Brahman bull has versatility written all over him. He would complement any Red or Grey Brahman cow herd or equally complement most commercial cattle breeding operations. He's a big upstanding solid bull with plenty of length and displaying exceptional breed character.

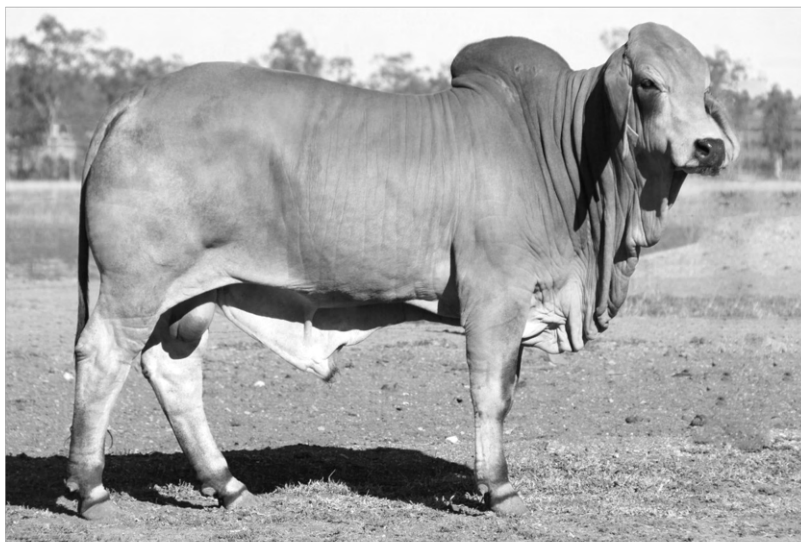

Purchaser: _____ \$ _____

Lot 26

Brahman (Red)

A/C - WHITAKER BRAHMANS

WHITAKER MR 862

D.O.B: September 2019

I.D. Herd Bull

SIRE: Purebred Red Brahman Bull

DAM: Purebred Red Brahman Cow

NOTES:

A fine example of a Red Brahman bull here. Exhibiting a good hooded eye, strong muscling with good sheath and testi. 38.5cm scrotal circumference combined with semen testing at 80% and semen morphology at 84% indicates strong reproductive soundness.

Purchaser: _____ \$ _____

Lot 27

Brahman (Red)

A/C - WHITAKER BRAHMANS

WHITAKER MR 861

D.O.B: October 2019

I.D. Herd Bull

SIRE: Purebred Red Brahman Bull

DAM: Purebred Red Brahman Cow

NOTES:

Offered here is a lovely broad headed Red Brahman bull. He displays fantastic pigment, combined with a good top and tidy in the reproductive area. This bull was equal top in his semen motility and in the cow herd he's a bull who will stand out for all the right reasons.

Purchaser: _____ \$ _____

Lot 28 Brahman (Light Red)

A/C - WHITAKER BRAHMANS

WHITAKER MR 934 Poll

D.O.B: December 2019

I.D. Herd Bull

SIRE: Purebred Grey Brahman Bull

DAM: Purebred Red Brahman Cow

NOTES:

This Red Brahman is just a youngster in our team but appreciate the bull he will become. Yes, he's polled with a strong top-line for such a young bull. He's not 2-year-old until December so given that we think his scans are acceptable although not totally indicative of his true value at this young stage for a Brahman bull. And with such a clean poll head we really do think he will breed on as polled.

Purchaser: _____ \$ _____

Lot 29 Charbray x Angus/Limousin

A/C - WHITAKER CHARBRAYS

WHITAKER MR 970 Poll

D.O.B: February 2019

I.D. Herd Bull

SIRE: Charbray Bull

DAM: Angus/Limousin Cow

NOTES:

This bull should draw a lot of attention. An outcross bull being by a Charbray and out of an Angus cross Limousin cow. He is total red factor with that sought after pink nose. Combine that with a polled head and as they say he's as long as a train. This is a strong top ranking bull selling late in the sale. And if his phenotype isn't enough for you check out his scans; they are equal to if not overall the best in the sale.

Purchaser: _____ \$ _____

Lot 30 Angus x Brahman

A/C - WHITAKER BRAHMANS

WHITAKER MR 844 Poll

D.O.B: August 2019

I.D. Herd Bull

SIRE: Angus Bull

DAM: Purebred Red Brahman Cow

NOTES:

This bull is as long as they come with a good muscle type. He is of a black nose polled deep red Angus cross Brahman type with an exceptional clean sheath. Top ranking semen motility test of 85% with the equal top semen morphology of 91% and a bunch of other fat, IMF, EMA and scrotal scans makes him an attractive proposition for crossbreeding for the flatback or backgrounder marketing options.

Purchaser: _____ \$ _____

Lot 31 Angus x Brahman

A/C - WHITAKER BRAHMANS

WHITAKER MR 842 Poll

D.O.B: October 2019

I.D. Herd Bull

SIRE: **Angus Bull**

DAM: **Purebred Red Brahman Cow**

NOTES:

A cross of our Brahman and Angus genetics has produced this polled, solid, pink nosed bull who's neat in every aspect. Again, well suited to the crossbred backgrounder progeny producing operation.

Purchaser: _____ \$ _____

Lot 32 Angus x Brahman

A/C - WHITAKER BRAHMANS

WHITAKER MR 843 Poll

D.O.B: October 2019

I.D. Herd Bull

SIRE: Angus Bull

DAM: Purebred Red Brahman Cow

NOTES:

Presented for your consideration is a total red factor, pink nose Brahman cross Angus bull who is clean polled with a tidy sheath. He's got good scans and we're certain he'll fit right in to a commercial crossbreeding herd looking to maintain fertility within the cow line whilst producing sought after flatback backgrounders.

Purchaser: _____ \$ _____
